Liberal Democrats

FOCUS ON STROUD GREEN

Thank you for your support!

from your Stroud Green Lib Dem team:

Nicholas Orford-Williams, David Vigoreux and Liz Whitlock

OU • THANK YOU • THANK YOU • THANK

Dear neighbour,

We want to begin by saying a huge thank you to everyone who voted on the 7th May.

Unfortunately, despite the generous support of Stroud Green residents, we were narrowly unsuccessful this election finishing in second place to the Green Party.

Consequently, three Green councillors, Beth Anderson, Gio Iozzi and Eddy Thacker have been elected to represent our ward for the next four years. We would like to congratulate them on their election success, and hope they will be visible representatives for the area in the coming years.

Regardless of the result, we promise to continue working hard for everyone in this community. We will be pushing our newly elected representatives, and the council, to ensure that Stroud Green voices are heard and residents are involved more closely in local decision making in future.

Kind regards, Nicholas Orford-Williams, David Vigoreux & Liz Whitlock

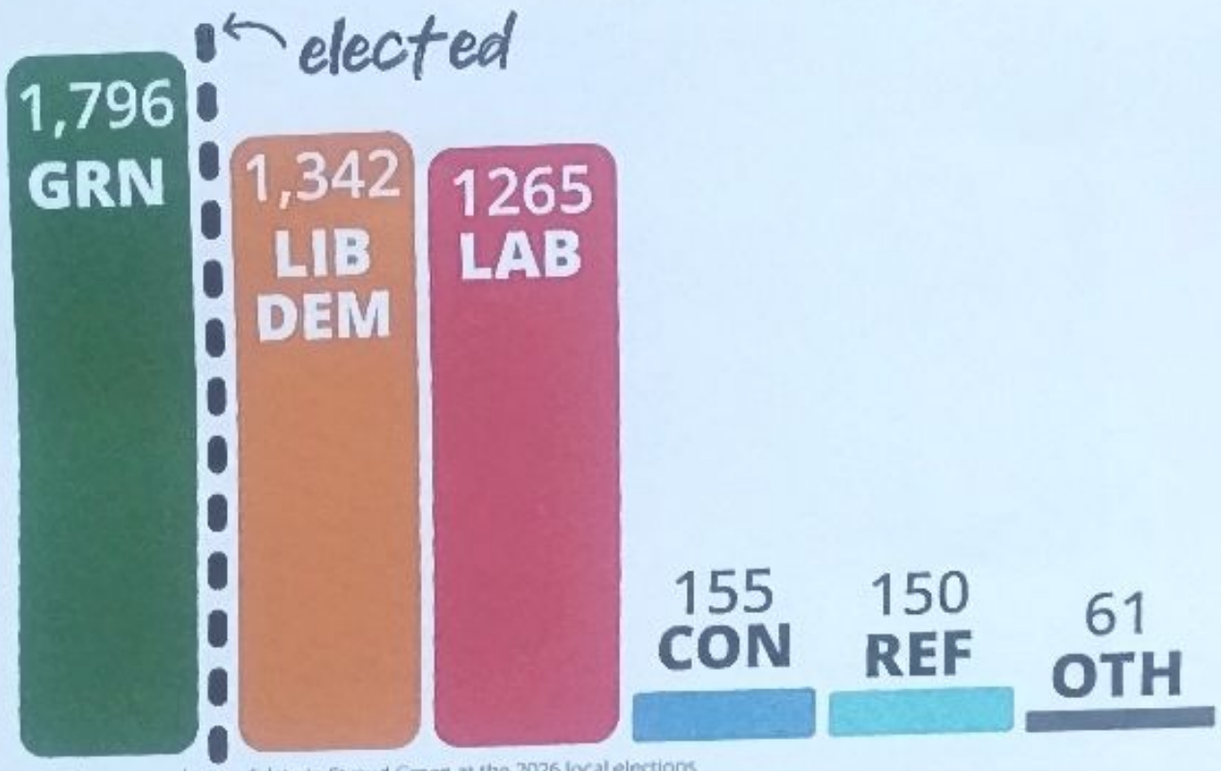
2026 LOCAL ELECTION REPORT
For STROUD GREEN

THANK YOU FOR VOTING
ON THE 7TH MAY!



Actual votes cast by candidate in Stroud Green at the 2026 local elections

NO OVERALL CONTROL IN HARINGEY
AFTER 55 YEARS OF LABOUR

Green Party 27 (+27)

Labour 20 (-30)

Liberal Democrats 8 (+1)

Vacancies 2

Number of council seats needed for a majority: 29

As one elected Green councillor was ineligible to stand, and one Labour councillor resigned a few days after polling day, by-elections for two vacancies have to take place.

- The Green Party won the most seats across Haringey, but not enough for a majority
- The Green Party will therefore run the council as a minority administration
- **We have made history by securing the first ever Lib Dem Mayor in Haringey**

Published and promoted by Haringey Liberal Democrats, all at Ashley House, 235-239 High Road, N22 8HF. Printed by Bishops printers Ltd, Walton Road, Farlington, Portsmouth, PO6 1TR.
